

The Lawyers Guide to Adobe Acrobat

Now including information about Acrobat version 7.0 as well as 6.0, this book takes lawyers through the processes of working with PDF documents, allowing them to communicate like never before. They'll learn how to create, control, and more securely deliver intelligent, content-rich documents that can be opened by anyone using Adobe Reader. More and more court systems require electronic filing, and this is the definitive guide to the standard for those filing systems.
