

Gang Heat: The Stewardess (Unprotected Force Book 2)

She was trapped there with all those thick, hard members Leanne is a magnificently sexy young stewardess working for a private airline. Her uniforms are kept tiny and revealing, showing off deep cleavage and lots of leg to increase her tips and to bring customers in. But the latest round of customers are not the usual rich push-overs. No, these are real rough typeshardcore hunks with slick, dark ink and chiseled muscles made from breaking the bones of others. And then theres the massive monsters hardening between their legs... Alone with them and trapped for hours on a long plane ride, shes helpless to turn down any request they haveno matter how erotic, dirty, or sexual. These crude, dominating bulls want to violate her deliciously hot bodyall of them at the same time. Making it all worse is that Leanne has no idea whats going to happen when her outlaw biker stud boyfriend finds outand what sorts of erotic punishments hell dish out for her incredibly fertile, hot, busty body to claim her as his own.
