

The Moths Song: And Other Stories

Seven splendid tales of eerie erotica and supernatural sex. To wit: Life In Deep Rock, where creatures made of echoes avenge a cheating wives death... The Devils Lesson, in which a rock guitarist finds that making love to the Prince of Darkness is not what she thought... The Moths Song, a horror story of miscegenation across natures very orders...

Incubus: surreal, mind-shattering sex with a being from a place where dreams go to die... The Donor, a willing victim supplies a blood meal to a flesh-and-blood vampire... Hole, in which we learn how things in the earth give rise to unspeakable desires... Vampires on a Train: a trip at once exciting, erotic, and poignant, and surprisingly human. All stories soaked in the sex, sensuality, and rich atmospherics youve come to expect from Dr. Mabeuse, Master of Ecstatics...
