

Lust for My Mothers Friend 6 - Elizabeth Jarrett

On a trip to the county library, Jason Taylor inquires about books on BDSM for his college essay he is writing. He is directed up to the fourth floor, which is seldom used. The floor, once part of the local high school, is now used for general storage and to house books the library administration doesn't want on display in the main part of the library. As he is reading through one of the books, he hears a woman moaning. Following the sound, he finds Elizabeth Jarrett, the librarian, masturbating. Instinctively, he pulls out his phone and takes pictures of the librarian pleasuring herself. That night he questions his mother about her friend, the librarian, and learns she was married briefly when she was younger and that she had an affair with another friend, Bianca Tillman, Brittney's mother. Intrigued by the situation, Jason begins studying at the library to keep an eye on the librarian. It doesn't take him long to catch her and a young employee, Rhonda Livingston, having sex in one of the old classrooms on the fourth floor. He takes as many pictures as possible of the couple in action, stopping only because he has filled his memory card. As Jason sits in his room that night looking at the pictures of the two women, he realizes what an opportunity he has. He can blackmail Elizabeth Jarrett into doing whatever he wants let the games begin
