

The Neighbor 3: Lust in the Suburbs (The Neighbor, Book 3)

Join Janey in the longest and hottest installment in The Neighbor series yet. Things certainly haven't gone according to plan for Janey. She thought the move out to Sunny Oaks would be a new beginning for her marriage. Now she has found that all the problems she had in the city have come out to the suburbs with her. Most of all, it is the fact that Ben is still having an affair with his secretary that is hurting her. When she notices that her elusive and distinguished older neighbor likes to watch her from his bedroom, she begins to look to him for consolation. In this installment Janey finally meets the neighbor, and what follows is one of the longest and hottest action sequences of the series so far. Don't miss it!
