

The Lovers Knot (No Better Angels Book 2)

Memory is his weapon. Forgetting is her armor. Sophie Roe was once a wealthy young lady, with an adoring fiance. But that was ten years ago. Now Sophie barely scrapes a living in trade. Her benefactor, the Duke of Clive, is dead. And the man she jilted is the new duke: rich, powerful, and determined to think the worst of Sophie. Julian has never been able to forget Sophie. He intends to find out just why she rejected him and why she's lying about the old duke's death. Sophie is hopelessly entangled in the past. But as long-buried secrets and betrayals come to light, Julian may be the man to set her free
