

Fields of Vision: The Photographs of Marion Post Wolcott: The Library of Congress

This book is part of a completely new photography series, featuring The Library of Congress internationally renowned collection of Farm Security Administration (FSA) and Office of War Information (OWI) photographs which provide a unique view of American life during the Great Depression and Second World War. Fields of Vision: The Photographs of Marion Post Wolcott includes an introduction to her life and 50 evocative images selected from her work, offering a glimpse of her inspiring and experimental style that became far more than reportage.
