

The Princes Slave: Bound In His Bed

The captivating second installment in The Princes Slave. Belle doesn't know what to do. Who is this enigmatic prince, her captor, and what are her feelings for him? And are those feelings genuine? Given their circumstances? Daunted by what she's discovered of him, and his world, she nonetheless finds herself drawn deeper into his desires and, she's discovering, her own. For their affair, an artful interplay of dominance and submission, is like nothing she's ever experienced. This book is intended for mature audiences.
