

THE RANCHERS DAUGHTER 2: A erotic western drama romance and action adventure suspense

Darla Brooks rode away from Montana with Alton Biggs and they left the mystery of the ranch feud between her parents and their opponents behind them. The lovely beauty had bet big on the promises her seducer had made to her. Their mounted riding took her further into being his woman and suddenly her journey was one naked revelation after another. Their progress was horseback and bareback, and mounted riding led to bedrolls under the stars and into saloons and hotels. Darla had gambled on him and with him. Their stop in Cheyenne, Wyoming gave the young beauty another hard lesson in the facts of life about betting what she wasn't ready to deliver and receive. Alton Biggs was the show that kept on giving to her. The brown haired young beauty was learning that a faint heart never filled a flush. By the time they got to Denver, Darla Brooks had learned that playing stud poker maybe meant not letting her yearnings get ahead of her earnings. Mr. Colt may have made all men equal but Alton Biggs and Darla Brooks were betting on who was superior. A card laid was a card played. Did a straight beat a flush when one eyed Jacks were wild?
