Knox, ex-soldier and sheriff's deputy, is a man used to being in control. When it comes to his stepsister, he wants to own every inch of her, but he's tried to do the right thing and not pursue the need to possess her. Forget his good intentions, because Claire's wicked teasing is driving him to the breaking point. Soon, she'll know exactly what it means to belong to a man like him. Most suited for adults, since there are sexy times ahead.
