

## The Scotland Trilogy

Three complete bestselling, award-winning novels in one volume, *The Pride of Lions* and *The Blood of Roses* tell the stirring romance between the English beauty, Catherine Ashbrooke, and the Highland warrior, Alexander Cameron. Thrown together by fate their destiny takes them from Derby to Lochaber to follow the path of war. The third book in the series, *Midnight Honor*, is the story of Colonel Anne Moy who appears briefly in *The Blood of Roses* but was such an intriguing character, she deserved a book of her own. Fiery and strong-willed, Colonel Anne called out the clan while her husband, the Chief of Clan Chattan, served as an officer in the English army.
