Your children are gone or leaving soon. Its time to focus once again on your own future and especially on your marriage. Whats in store for the second half? Drawing on their national survey of hundreds of second-half couples, the Arps reveal eight marital challenges every long-term marriage faces, and they offer strategies and exercises for meeting each of them. The Second Half of Marriage will challenge you to create a vision for the rest of your life together -- and inspire you to make that vision a reality.
