

Beneath the Sheets (Wet Dream Series Book 1)

This title contains sexual content unsuitable for anyone under the age of 18. Veronica spends her days and nights trapped inside her driven working persona, never allowing herself time to relax and play, but fate has other ideas for her. She finds herself in a dream that allows her to play out her fantasies in front of one of the most bizarre audiences possible. When she wakes, however, she begins to fully understand the extent of how odd that dream truly was. This short episode is a preview into the start of Veronica's odd journey into the unknown. This is a short erotica story containing approximately 2,820 words.
