

The Debt: The Seduction of a Gambling Wife

Isn't there some other way? Surely a man with your position can think of something. I mean, I know it's not your problem, but if you'll help just this one time, I promise it'll never happen again! But Watson only looked into her eyes, still shaking his head slowly from side to side. Watching, waiting... this had to be it, make the pitch now, Stu ol boy, or forget it. Uh, actually, there might be a way out of this for you, he said finally. Anything! What is it? What is it? Clara practically shrieked. And she meant it. She'd do anything, anything, to get out of this mess. But even her despair had not prepared her for what was to come. Well, you see, we have occasion from time to time to, uh, hire part-time hostesses for some of our better-heeled guests, he explained cautiously. You know, sort of as escorts, just to... Escorts!?
