

The Textile Artists Studio Handbook: Learn Traditional and Contemporary Techniques for Working with Fiber, Including Weaving, Knitting, Dyeing, Painting, and More (Studio Handbook Series)

Explore the world of textile arts, one thread at a time! The Textile Artists Studio Handbook is the only book you need for expanding your repertoire of textile crafting and design techniques. This is the go-to guide for the foundations of design and fabrication, glossary of materials, and classic techniques that include weaving, dyeing, painting, and more! Plus, where else can you get behind-the-scenes access to setting up the best home textile studio for you? Inside, you'll find exploration of basic materials (including fibers, dyes, paints, and other media); visual tutorials for spinning, felting, crochet, weaving, sewing, and quilting; primers for surface decoration techniques such as dyeing, painting, stitching, and screen printing; and patterns and project instructions.
