

## The Boudoir, Volumes 5 and 6: a magazine of scandal, facetiae etc

Locus Elm Press is proud to present William Lazenby's continuation of his infamous and genre defining Victorian erotic periodical The Pearl. Within the pages of The Boudoir: a magazine of scandal, facetiae etc are found the classically debauched tales of The Three Chums, The Adventures and Armours of a Barmaid, and Voluptuous Confessions of a French Lady of Fashion interspersed with bawdy tales of utmost licentiousness and songs and poems equally graphic. Volumes V & VI, anonymously written during the 1880s, considerably presented hear-in as originally published and indexed, is a sound source of titillation. With tales including lesbian tribadism, gamahuching, menages-a-plenty, and the finest lashings of BDSM tossed in for good pleasure, this collection will be sure to pique the interest of those a fan of the genre. Dip in... its very hot. Volumes I & II and Volumes III & IV are also available from Locus Elm Press.
