

The Toy Story Sketchbook: The Sketchbook Series (The Disney Sketchbook Series)

In November 1995, the feature length film Toy Story was released as a joint venture between Pixar Animation and Walt Disney Studios. Until 1999, when Toy Story 2 was released, Toy Story was the third most successful animated film at the box office. This sketchbook contains: sketches and background studies done in preparation for the films release. Toy Story: The Sketchbook Series collectors edition is limited to 2,500 copies, with each book containing a numbered certificate of authenticity.
