

THE FALL OF CAMELOT: epic medieval romance (THE MORGAN TRILOGY Book 3)

I adored this series, I did not want it to end!
Jenny Fletcher A perfect summer read, a beautiful romance
Oberon Childs Without doubt the best Arthurian romance I have read in ages.
John Archer A thrilling and dramatic finale to this fascinating Arthurian Trilogy
Having lost a son and a lover, Morgan continues on her quest to destroy King Arthur. With Guinevere on the scene, she is patient and cunning and plants the seeds of jealousy. But Mordred, Arthur's illegitimate child, who has the dark powers of the Otherworld, is also restless for his father's crown. The mighty Camelot is under threat, war lingers on the horizon, and lives will be lost... If you enjoy Arthurian fantasy and medieval romance you will love this final book in the Morgan trilogy.
