

Think Yourself Wealthy: How to Attract Riches Through Thought

Before there were the Law of Attraction: The Science of Attracting More of What You Want and Less of What You Dont Want, and The Science of Success: How to Attract Prosperity and Create Harmonic Wealth Through Proven Principles, there were The Science of Getting Rich, As a Man Thinketh, and Thoughts are Things. These are the works that first introduced the world to the power of positive thinking. Wallace D. Wattles, James Allen, and Prentice Mulford pioneered the concepts that Michael Losier and James Arthur Ray would latter rework for a new generation. Now you can have all three landmark works in one volume and begin to think yourself rich!
