

This Soul Magic (Mills & Boon Nocturne Cravings)

Once an all-powerful soul bringer, Reichardt gave up his immortality for a feisty red-headed witch. Though his passion for Libertie St. Charles is undeniable, he must learn to give her what she craves. Libby knew Reichardt was her soul mate even before the fallen angel had a soul. Now she just needs to convince him. She fantasizes about him taking control in the bedroom and she's more than happy to tutor him in the pleasures of the flesh. But when they discover his one chance to regain his powers and keep his soulies in staying pure, will they be able to resist their forbidden desires?
