

New York from Above

Join award-winning photographer Michael Yamashita as he soars high above the hustle and bustle of New York in this unparalleled portfolio of gorgeous images conveying the architectural details, off-the-beaten-track neighborhoods, and remarkable energy that make Gotham unique. From legendary monuments like the Statue of Liberty and the Empire State Building to the graceful bridges spanning the boroughs, *New York from Above* highlights world-famous sites as well as hidden corners, providing a birds-eye view that will change the way you see the city.
