

## Titanic Survivor

After a childhood in Argentina and formative years in England, Violet Jessop spent her entire career at sea. She was a stewardess for first-class passengers on the Titanic and she wrote an absolutely unique eyewitness account on the spot written about disaster of our time. Four years later, Violet was a nurse onboard the hospital ship Britannic when it struck a mine and sank to the bottom of the Aegean. But Titanic Survivor is much more. A unique autobiography for those who want to know how it really felt, a story that could be told only by a Titanic Survivor.
