

Fire Lust

Heather Marsden and Cody Stevens have been an item since their first year of high school. With their future planned and their college graduation within reach, Cody gets devastating news from his doctor. Heather must now cope with the knowledge that she might lose the man who was supposed to be her forever. While trying to come up with a grand final birthday surprise for him, Heather ends up befriendng the new girl in town. Suzanne Cross lives a hippie life full of color and extravagance, seemingly without a care in the world. In truth, shes all alone and hides a secret. Heathers new friend is something more than human, but how far will she be willing to go to save Cody? Just how much faith in love can she muster? **Contains material and situations meant for mature readers, 18+**
