

Four Kiss: An Apocalyptic Urban Fantasy (Transmissions from the International Council for the Exploration of the Universe Book 4)

My name is Darling and I am the Daughter of Lilith. A Succubus. I hold the answer to end the zombie apocalypses that plagues the Universe. I am the last hope to save the human race. But first I need to figure out how. I saw Emmanuel get turned into a zombie. But he is alive again. Not to mention the small fact that he can travel between dimensions with me in his arms. But those things are minor compared to the power he can infuse me with. A power I wish I'd never tasted because I'm not sure of the price. This is a 20,000 word installment and ends on a cliffhanger.
