

## Twin Bonds: The Complete Series

I was so lucky to get adopted. My birth family was terrible to me, and my new family plucked me off the streets just in the nick of time. I was even luckier to end up with twin stepbrothers, two gorgeous hunks who I managed to annoy every summer at our familys cabin by the lake. But now that were all adults, Im not interested in playing pranks. Im interested in playing an entirely different game one with ropes and chains. This summer, fun in the sun with my stepbrothers can only mean one thing: a taboo tryst that none of us will soon forget. Were going to push the limits and break all the rules, but after tasting their heaven, will I be able to keep myself from falling too hard for my sexy stepbrothers?
