

## Infinite Curves Complete Box Set: A Complete BBW BDSM Romance

**Infinite Curves 1: Twists and Curves**  
Asher is a twenty-something with a lot going for her. Ivy league educated, pretty, if you like short, curvy and top-heavy, career focused, driven. The only thing missing? A guy worth caring for. But when a crisis sends her home, she finds herself face-to-face with her original high school crush and her own fear of rejection. Dylan is everything she dreamed of as a teen, and more, a troubled young man with a checkered past. Will she dare to reach out for what she's always wanted, knowing as she does, how often it can all go wrong?

Asher has no interest in another friends-with-benefits. But how will she break the pattern of her dating life, to create something real? And will she even be able to tell Dylan no, if it turns out all she is to him is another casual thing?

**Dangerously Curved Infinite Curves 2**  
Asher is in deep. Dylan has satisfied her in ways no man has, touching her in places and in ways undreamed of. Falling into Dylans orbit she visits his design studio and clubhouse, uncovering tantalizing details of his complex romantic relationships. Confused and troubled but still entranced, she requests, and receives the spanking she has secretly longed for, and it leaves her sore, weak in the knees, and aching for more.

**Bound Curves Infinite Curves 3**  
Asher finally has the man of her dreams. Or does he have her? Asher comes clean about the text from Helen, and as she'd half-way hoped and feared, Dylans forgiveness comes with a price tag. The brutal, soul-shattering punishment and make-up sex isn't the problem; it's the meeting that Dylan suggests Asher have with Helen to finally clear the air. Dylans dark secrets come to light, and Asher finds herself wondering just how deep she wants to descend into this new world of erotic pain and submission.

**Transcendental Curves Infinite Curves 4**  
Asher can't get Dylan out

of her head. Dylans dark sexual past is an open book from which Asher finds herself turning away. Giving in to her most depraved fantasies isnt an option for a girl with her ambitions. She knows she should block Dylans number and throw away his key, but every night her dreams betray her. Haunting memories and vivid fantasies, violent and unwanted intrude on her day to day life and her anxiety attacks return with a vengeance. Infinite Curves 5: Learning Curves Asher hits the reset button after her tempestuous relationship with Dylan goes so far, so fast, that she finds herself questioning her sanity. A question emerges which shes has avoided since the beginning. Gabriel and Ashers younger sister Jade have no answer, so Asher must finally pose the question herself. Did Dylan have a relationship with her older sister Sabrina, back in the days of the Nameless Band? And what would that mean for the two of them if he had? Sexual fantasies haunt Asher as the month without sex draws to a close leaving the pair so sexually charged that a single errant spark is all it takes to set them ablaze. Infinite Curves 6: Curve City Dylan and Asher take a trip to a BDSM club in New York City. Having slain her dragons at home and settled matters with her sister Sabrina, Asher is tantalized by Dylan as he denies her complete fulfillment leading up to her debut in Neverland, a secret club inside a club in the city reserved for the BDSM elite. Of course everyone shed hoped and feared might be there puts in an appearance. The dreaded boyfriends ex-girlfriend from hell, Helen, Busty Page, and a mysterious dark angle, a dominatrix with a bullwhip who may hold the key to Dylans future. Asher, masked and magnificently attired in her Goth-Queen-Slut gown, can only remain anonymous for so long, before she is compelled to put everything on the line, risk life, and limb and self-respect to finally decide the matter once and for all. Will Asher find her happily ever after? Or be publicly punished and mercilessly abused? Or could it be both?
