

## Taken By His Design (The Billionaires Curves) - BBW Erotic Romance

Curvy design school graduate, Chloe Morgan, was out of time, money and hope that her dreams of being a success as a fashion designer could be gone - forever. On the verge of giving up, the plus sized fashionista has a chance encounter with the industrys most powerful and sexy figure - Alexander Kane. Intriguing, mysterious and wildly talented, the ultimate alpha male presides over the House of Kane which dominates the modern fashion scene. After building his empire from scratch, hes now worth billions...Much isnt known of his past but what is known is that he has an unmatched will to succeed and have anything he desires. And, his desires are the stuff of legend, even at a young age. Shocked at his brash romantic overtures, the lovely BBW gal rejects him at first, suspicious of his motives. But, he is smitten with her passion, fire and beauty and turns his world upside down in pursuit of her. In spite of her initial scorn, she finds that shes drawn to him and drifts deeper into his world. True to his alpha male ways, Alexander decides he must have the curvacious Chloe with him always and so he offers her the opportunity of a lifetime - to work by his side as his personal design assistant. Of course, his position comes at a price. Will she be willing to pay it no matter what the cost?
