

Growing Concern : Part 3

As this third part of the story begins, Nicole finds herself finally coming to terms with what has happened to her. She has lost her old life, but is starting to imagine and accept what this new one might look like. No longer desperately fleeing, she starts to investigate the cause of her miraculous transformation, and is shocked by what she begins to uncover. This marks the third part of the Saga of Growing Concern. Nicole begins to explore her strange new world, and discover others who have been affected by these unbelievable changes. Will she discover the cause? Will she find the person responsible for the loss of her home, her boyfriend, her bust line? Find out in this sordid and sexual tale of mystery and erotic awakenings.
