

Tagteamed by College Athletes (Four on One Book 16)

Dr. Turner is forced to teach a remedial class about sexual harassment to four of the colleges most elite star athletes. It turns out these athletes have never been turned down--not one single girl has ever said no to them--and Dr. Turner struggles to get through to them. There's two black athletes, Darius: a massive black football player, and Isaiah, a gargantuan basketball player. The two white athletes are Asher and Eric: A cocky lacrosse player and a spaced-out yet sensitive hockey player. The students have to teach the professor, because when they take Dr. Turner hard and fast against her podium, she realizes she has so much to learn about sex from these gifted athletes. This gang of star athletes is too busy training their bodies and crushing the competition, so they definitely didn't take Safe Sex 101.
