

## The Hi-Risk Club Part 1: Dereks Story

Hidden deep in the labyrinth streets of New York City is a sex club like no other. A club where all protection is forbidden. A club where men come to breed without consequence, and where women come to take the primal risk of pregnancy. A place where the servants cater to both needs and anything goes as long as you're willing to take the consequences. Tonight, Derek Snow has come to The Hi-Risk Club for an evening of debauchery. Chances are good that he'll enjoy himself. But it just may be the beginning of something he never expected...
