

## The Vampires Kiss (Mills & Boon Nocturne)

HIS DARKEST TEMPTATION Vampire CSI Olena has been assigned to lead investigations on the most recent high-profile bank robbery at the Bank of Nouveau-Monde, the city's most prestigious and oldest establishment. Interpol agent Cale Braxton doesn't care for the Otherworlders, but there's something about the lead crime scene investigator that gets under his skin. Olena pushes his buttons in ways he'd never imagined, igniting a deep and yearning attraction that's impossible to deny. Too bad Cale's forbidden from mixing business with pleasure.
