

Vampires Wedding (Vampires Valentine Book Two)

Today was the day Prudence and Michael were supposed to get married. While she has briefly crossed over into Bastians world, to have him profess his love for her, the real world behind them is constantly moving. The wedding is going ahead and everyone expects Prudence to be there. Sensing there might be trouble, Michael sends his step-sister Millie to spy on Pru and find out what she's up to. Before long it is all out in the open - Prudence's uncertainty about her commitment to Michael, Bastian's proposal, and the fantasy world she has been living in. She must now choose not only between her two suitors, but how she will spend the rest of her life. Whether that be fifty more years, or an eternity.
