

Venus Transcendent (Venus Rising Book 4)

When Jessica went to the Venus School of Sex she never imagined that she would fall in love with one man, much less two. She'd just gotten comfortable with the idea of going semi-public at home with Justin and Chris when her ex-boyfriend outed their unconventional relationship to all her friends. To her horror she finds out that her family is the reason her ex even knows about it. But it doesn't matter how people react, she's not going to give up on Justin and Chris and they're not going to give up on her - it's time to face her family and make them realize that she's choosing her happiness over other people's judgments. Liam and Hilary are having their own problems now that Liam realized Hilary kept him a secret from her parents. What he can't understand is why. He's been falling in love with his honey-girl, does she not feel the same way? This is the conclusion to the Venus Rising Quartet, although Justin, Chris, Jessica, Liam and Hilary will also appear quite often in G. Angels follow-up Stronghold series, for which there is a teaser included at the end of this book. This book contains BDSM, spanking, anal play and anal sex, MFM sex, role-playing, and a lot of sexy alpha men. Venus Transcendent is approximately 117,000 words long.
