

## Ganging Up 2: The Office Pet (Multiple Partner Group First Times MMMMF)

Clothes began to come off all around me, before I could really grasp the situation, four hard, hot lawyers were gathering around, naked and ready to serve. Inexperienced Samantha finds a big surprise when she applies for a summer job at a big shot law firm in her college town. When her sisters husband, Jacob, ends up interviewing her for the job, things get a little complicated. She quickly becomes the favorite of several of the hot attorneys at the firm, including Jacob, and they decide she needs to be their own special office pet and her first time is filled with their own special kind of initiation. Samantha never dreamed her first time would be so fulfilling as all four attorneys give her everything that have to offer and she loves every second of their special attention. This 10,000+ word HOT & READY erotic short story includes steamy scenes of group encounters with an inexperienced woman and a group of hungry lawyers.
