

The Voyages of Doctor Dolittle

Doctor Dolittle, the veterinarian who can actually talk to animals, sets sail on the high seas for new adventures with Polynesia the parrot, Jip the dog, Chee-Chee the monkey, and young Tommy Stubbins. Together they travel to Spidermonkey Island, brave a shipwreck, and meet the incredible Great Glass Sea Snail. This novel won the Newbery Medal in 1922 and now features a foreword by award-winning authors Patricia and Fredrick McKissack.
