

Warriors of Darkness: Warriors of Darkness Book One

Deryn Murray has her work cut out for her. Not only is she determined to prevent Alejandro Vargass death--one shes seen over and over in her dreams--but she must keep anyone from learning her true identity--that of a slayer, and sworn enemy of all the supernaturals. Protecting the Colonel of the alternate realm military base threatens not only her life but her very heart. Despite his refusal to cooperate, Alejandro has broken through her emotional barriers and holds the power to hurt her worse than anyone ever has.Colonel Alejandro Vargas is more than frustrated when his job gets a whole lot tougher due to the arrival of two civilian doctors, one of whom is human. Tall, sexy and blonde, Dr. Deryn Murray gets under his skin in more ways than one. If shes not humming nursery rhymes and talking to animals, shes taking on armed spirit tomb guards while insisting shes saving his life.But in place where time and space have no boundaries, ancient enemies would like nothing more than to eradicate them both, just when theyve found each other.This novel contains adult content and is intended for mature audiences only. Must be 18 years or older to read.
