

Watches International: Volume IX

Now in its ninth edition, Watches International has been setting the standard for up-to-date reference guides devoted to luxury timepieces since 2000. At more than 700 pages, Watches International, Volume IX showcases the latest watches from around the world, from every major watchmaker. Hundreds of beautiful full-color photographs show not only the watches style and exquisiteness, but also the details of their movements, functions, cases, and dials. The text gives an overview of each of the companies histories.
