

We Love Cosplay Girls: More Live Animation Heroines from Japan (cocoro books Book 7)

When Cosplay Girls: Japans Live Animation Heroines was released in 2003, most of us thought anime equaled Pokemon, otaku was a type of noodle and cosplay was something that only happened in faraway Japan. How things have changed! Cosplay today is a global phenomenon, with established conventions, fan sites, clubs and even cosplay celebrities strutting their stuff the world over. The planet, it would seem, cant get enough of cosplay and the Japanese girls who started this craze. We Love Cosplay Girls, the third volume in the cocoro books cosplay photobook series, continues this onslaught of deliciousness with hundreds of full-color photos of street-fighting chicks, fantasy femmes fatales, staff-spinning ninja, spandex-clad dominatrix, pig-tailed schoolgirls, hammer-wielding psychopaths and faux-fur kittens. Why do they do it? How do they do it?! Buy this book and find out!! All-new girls!! All-new costumes!! All-new format!!
