

# We the People: A Concise Introduction to American Politics (7th Edition, Custom Edition)

This concise yet comprehensive book provides a positive, lively, future-oriented narrative introduction to American government and politics. We the People presents material with a currency and relevancy that captures the vivid world of real-life politics. In addition, the text challenges readers to think critically; by giving contextual understanding of major concepts and issues, it encourages them to think about the implications for society and themselves.
