

The Complete Music Business Office

This is the most expansive book and CD set on the market today, with over 125 essential contracts and forms for conducting music and entertainment industry business with fun and educational commentary by the author on each document. In addition to just about every contract you'll ever need to run your business, Forest has included all relevant US government documents for filing copyrights such as Form PA, Form SRP, Form SRU and many more. In addition, this exhaustive compendium features interviews with industry professionals, and a library of interesting software tools for Windows 95/98 rounds out the package. The book is accompanied by a CD-ROM containing the contract library in a number of formats for use with Windows 95/98 and Macintosh-based computers. This new expanded edition also contains spreadsheet workbooks and databases, also in a variety of computer formats, to help the struggling artist discern such things as their net worth, cash flow and business projections with all US government forms included as PDF-format Adobe Acrobat files for use on both platforms. This is the one book you simply must have to make your professional music office complete!
