

What To Do About Everything: A Manual For Domestic Life

What to Do About Everything is the ultimate guide to 21st century living. It covers everything from changing a tire to surviving divorce, and addresses all kinds of households, not only the traditional nuclear family. Applying researched information and empathy to all aspects of domestic life, this book ensures that anyone with a roof over their head can find the help they need whether it's learning to mend a sock, hire a plumber, light a fire, leave their husband, or even decide they're gay after all.
