Whatever It Takes, A Grey Justice Novel Book Two To Save His Family, She May Be His Only Hope A Strong-willed Woman Working for the shadowy division of the Grey Justice Group is the perfect job for Kathleen Callahan. Compartmentalizing and staying detached is her specialty. Get in, do the job, get out, her motto. Wealthy businessman Eli Slater is the only man to penetrate her implacable defenses and she fights to resist him at every turn. A Tenacious Man Eli Slater has worked hard to overcome his familys past and repair the damage they caused. A new light comes into his life in the form of security specialist Kathleen Callahan. Even though she rejects him and everything he makes her feel, Eli is relentless in his pursuit, determined to make her his own. An Evil No One Saw Coming Darkness has a way of finding and destroying light and Eli learns his familys troubles are far from over. Dealing with threats and attempts on his own life is one thing, but when those he loves are threatened, its a whole new game. And hell stop at nothing to win. But evil has a familiar face, along with an unimaginable goal of destruction, putting both Eli and Kathleen in the crosshairs and threatening the happiness they never believed theyd find.
