

When a Man Spanks a Woman: a collection of erotic spanking stories

Previously published as two individual volumes, Office Exposure and Spanked by a Stranger, this collection of 17 erotic spanking fiction stories features a variety of scenarios, including domestic discipline, romance, workplace and judicial settings. The male disciplinarians in these stories are many and varied and include boyfriends, neighbours, employers, employees, relatives and others, but irrespective of whether the spanking takes place in private or public, each story offers a glimpse of what happens... when a man spanks a woman.
