

When the Smoke Clears (Deadly Reunions Book #1): A Novel

I love this book. It will keep you guessing until the very end.--Dee Henderson, bestselling author After a brush with death due to equipment failure, smokejumper Alexia Allen is ordered to take time off while the incident is under investigation. She makes a last-minute decision to recuperate at her mothers home and attend her high school reunion. Yet trouble seems to be following her, and within hours of arriving home she is confronted with murder, arson--and a handsome detective. But the conflicts ahead are nothing compared to the ghosts of her past. As she struggles to accept and forgive her familys past, she must also decide if the secret shes been guarding for the last ten years must finally come to light. Chock-full of the suspense and romantic tension youve come to expect from Lynette Eason, When the Smoke Clears is the explosive first book in the Deadly Reunions series. Lynette Eason is the author of several romantic suspense novels, including Too Close to Home, Dont Look Back, and A Killer Among Us. She is a member of American Christian Fiction Writers and Romance Writers of America. Lynette graduated from the University of South Carolina and went on to earn her masters degree in education from Converse College. She lives in South Carolina with her husband and two children.
