

## Prison Black Cock Slut

Man on Man Interracial Prison Sex 2013  
John Harrington Contents I Lose My  
Virginity Round 22 Big Black  
Cocks Murder for My Ass Excerpt This is a  
story of a dumb motherfucker: me. I  
decided it made sense to make lots of  
money at USC by selling drugs to just  
about any of the 30,000 students enrolled  
there. And I did. By the time that I was  
taken down by a local L.A. Drug Task  
Force, I was making about \$45,000 per  
month. Profit! And I still maintained a C+  
average. Weed, ecstasy, and uppers were  
my biggest sellers. It was simple supply  
and demand. There was a lot of demand.  
Being a native Los Angeleno, I had no  
problem with the supply. So, I just bought  
low, sold high and got rich. I spent it all  
on lawyers, though, and still got 2 years in  
the state pen. I've always been a straight  
dude and I've fucked a lot of really hot  
women. They tell me I'm good looking  
(cute), and I guess I'm charming. Oh, and  
I have a big cock. So, there I was going  
to prison at the age of 21. A fit, attractive,  
light-brown-haired, white guy getting  
thrown into a sea of criminals from  
pedophiles to murderers. I had no idea how  
I was going to survive, I just knew that if  
I killed myself, I would destroy my  
parents and brothers' lives even more than  
I had already done. After my verdict was  
read I was taken immediately into custody  
and put on a bus to the California State  
Prison, Los Angeles County. By six that  
night I had been processed and was taken  
to my cell. When I first set eyes on my  
cell mate, Snake. I was stunned for a  
second. He was the last thing I expected.  
Hell, he was stunning to look at anyway.  
My first impression was that he was big  
(with huge muscles), very dark and  
incredibly good looking. The guy looked  
like a cross between a college football  
player and a male model. Unbelievable.  
Warning this 6,000+ word story is packed  
with intense gay interracial sex
