

Scared of Spiders

Bring on the bug spray, because to prevail, Josies going to have to face her greatest fear. Josies not a brave person, and shes especially scared of spiders. Imagine her surprise when she finds herself attracted to not one, but two, larger than life men. Clint and Brandon both want the timid mouse whos come to work for themand their beasts are chafing to mark herbut when she cant decide between them, theres only one thing to do share her. Before they can convince Josie that a threesome would benefit them all, they need to take care of the menace threatening their chosen mate. And when Josie confronts the bogeyman of her nightmares, she discovers an emotion stronger than fearlove.
