

Why Most Medical Malpractice Victims Never Recover a Dime (Winston Law Series)

This book is about the tough world of medical malpractice. Many folks try to get rich quick for every perceived disservice done to them by a doctor or hospital. Some lawyer advertising makes it sound that easy, doesn't it? Insurance companies and medical professionals, on the other hand, might be happier if malpractice lawsuits were simply banned. I wrote this book to give you the facts on malpractice lawsuits, hiring an attorney, and dealing with the insurance company. Forget the hype. If you have a legitimate case, contact me at www.WinstonLaw.com for more details. Learn more about the Winston Law Series. Our other books include: The Truth about Lawyer Advertising; Five Deadly Sins; Buying Car Insurance; Robbery Without a Gun; and Making the Right Choice. Bradley Winston is a South Florida personal injury attorney who is Board Certified in Civil Trial. He has over two decades of legal experience handling a wide variety of personal injury matters. Throughout his career, Mr. Winston has fought hard to protect the rights of his clients and to ensure that they receive all the financial compensation they are entitled to under the law. Mr. Winston is recognized by and active in many leading legal organizations, including: Super Lawyers, 2006-2011; Million Dollar Advocates Forum; American Board of Trial Advocates; American Bar Association; and the American Association for Justice. Martindale-Hubbell, a leading U.S. legal publisher, recognizes Mr. Winston with a Preeminent 5.0 out of 5 Peer Review Rating. You may contact Bradley Winston at 954-475-9666.
