

## Spank Her So Good

Still healing from the loss of her husband three years earlier, Samantha Robbins is struggling to get her real estate career on the right track. When a neighbor on her block tries to sell his house on his own, Samantha calls him hoping he'll eventually decide to use an agent and hire her. Mac McClintock needs to sell his house. He inherited it from his aunt a few years ago and was hanging on to it in the hopes the value would increase now that the housing crisis was on the mend. He had a ranch to run and his aunt's house was taking up too much of his time. He hires Sam, but lets her know in no uncertain terms he expects things to be done in a timely and efficient manner. It takes her less than two weeks to cause him to take her to task for an error in the marketing of his aunt's house. Sparks fly when she's given the choice of bending over his kitchen island counter for a sound spanking or having the listing canceled. Warning: This story contains scenes involving adult spanking, and the discipline of an adult woman by an adult male. Explicit sex scenes.
