Cassidy Banks was the event planner for a big downtown Orlando hotel, and she was used to being sought after wherever she went. Then the promiscuous brunette babe brought a stranger home who she had no way to plan for. How he made her feel was a complete surprise to her. Then the surprises just kept on coming. Her reservations manager co-worker Agatha was also her roommate who not only looked like her but acted like her. She discovered Cassies scary secret about a demented stalker of Cassidy. When Cassies case of the blues got even darker for her, Agatha brought back Cassies one night stand mystery man to help her out. They both ended up playing naked games with him that proved that some of the best surprises could be unplanned. Especially when they left all their sexual reservations behind them. But the stalker was closing in on Cassidy Banks.
