

## The Cowboy: Wild Ride / Cowboy in Paradise / Saddle Sore / Rodeo Man (Aphrodisia)

Tyler Last has had enough of chasing steer - and women - on the rodeo circuit. Its about time he changed his ways. That is, until he catches sight of sexy Meg Holder, and all he can think of is wrapping her up with his lasso...Stoic Arizona horse rancher Dean McCabe is all business with anyone who gets in his way - and with anyone who interferes with his work. But when sultry conservationist Cassandra Darling comes into town on a mission to save the Mexican Gray Wolf, he discovers theres nothing better than sleeping with the enemy...L.A. magazine writer Anna Hartley is on assignment in Wyoming when she meets champion rodeo rider Grant Olson. Lean, blond, rugged, and sexy as hell, hes enough to make a city girl trade in her high heels for a wild ride in the saddle, Western style...
